

```
Eigen::internal::traits  
< SparseVector< MatScalar,  
  MatOptions, MatIndex > >
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'Eigen::internal::traits < SparseVector< MatScalar, MatOptions, MatIndex > >'. The bottom box is gray with a black border and contains the text 'Eigen::internal::traits < Ref< SparseVector< MatScalar, MatOptions, MatIndex >, \_Options, \_StrideType > >'. Two blue arrows point upwards from the bottom box to the top box, indicating that the traits of the bottom type are inherited from the traits of the top type.

```
Eigen::internal::traits  
< Ref< SparseVector< MatScalar,  
  MatOptions, MatIndex >, _Options,  
  _StrideType > >
```
