

```
Eigen::internal::quat  
_conj< Architecture::  
_Target, Derived, float  
>::run
```

```
Eigen::internal::quat  
_product< Architecture  
::Target, Derived, OtherDerived,  
float >::run
```

Eigen::QuaternionBase::x

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders. The top box contains the code snippet 'Eigen::internal::quat \_conj< Architecture:: \_Target, Derived, float >::run'. The bottom box contains 'Eigen::internal::quat \_product< Architecture ::Target, Derived, OtherDerived, float >::run'. On the right, there is a gray box with the text 'Eigen::QuaternionBase::x'. Two blue arrows originate from the right side of the top white box and the right side of the bottom white box, both pointing towards the left side of the gray box.
