

OriginalStuff/eigen
/Eigen/src/Core/arch
/MSA/PacketMath.h

```
graph TD; A["OriginalStuff/eigen  
/Eigen/src/Core/arch  
/MSA/PacketMath.h"] --> B[iostream]; A --> C[string];
```

The diagram illustrates a file path structure. At the top, a dark gray box contains the path 'OriginalStuff/eigen /Eigen/src/Core/arch /MSA/PacketMath.h'. Two blue arrows originate from the bottom of this box, pointing downwards to two separate light gray boxes. The left box is labeled 'iostream' and the right box is labeled 'string'.
