

absl::log_internal
::RawEncodedMessage

```
graph LR; A[absl::log_internal::RawEncodedMessage] --> B[absl::LogEntry::encoded_message]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a light gray color and contains the text 'absl::log_internal' on the first line and '::RawEncodedMessage' on the second line. The right box is white with a black border and contains the text 'absl::LogEntry::encoded' on the first line and '_message' on the second line. A solid blue arrow points from the right side of the left box to the left side of the right box.

absl::LogEntry::encoded
