```
graph LR; A["Eigen::internal::plainobjectbase  
_evaluator_data::plainobjectbase  
_evaluator_data"] --> B["Eigen::internal::plainobjectbase  
_evaluator_data::outerStride"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains three lines of text. The right box is gray with a black border and contains two lines of text. The blue arrow originates from the right side of the left box and points to the left side of the right box.
