

Eigen::internal::extract_data

```
graph LR; A[Eigen::internal::extract_data] --> B[Eigen::internal::extract_data_selector::run]
```

The diagram illustrates a function call. On the left, a grey rectangular box contains the text 'Eigen::internal::extract_data'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text 'Eigen::internal::extract_data_selector::run'.

Eigen::internal::extract
_data_selector::run
