

Eigen::KLU::factorize_impl

```
graph LR; A[Eigen::KLU::factorize_impl] --> B[Eigen::klu_factor]; B --> B;
```

The diagram illustrates a function call. A grey rectangular box on the left contains the text 'Eigen::KLU::factorize_impl'. A straight blue arrow points from the right side of this box to a white rectangular box on the right, which contains the text 'Eigen::klu_factor'. Above the white box, a curved blue arrow starts from its top edge and points back to its top edge, indicating a self-loop or recursive call.

Eigen::klu_factor
