

```
Eigen::DenseStorage  
< T, Dynamic, _Rows,  
Dynamic, _Options >::swap
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the C++ code for calling the swap method on an Eigen::DenseStorage object. A blue arrow points from this box to a white rectangular box on the right, which contains the text 'Eigen::numext::swap', representing the underlying function being invoked.

Eigen::numext::swap
