

```
Eigen::internal::OuterReducer  
< Self, Op, Eigen::SyclDevice >::run
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'Eigen::internal::OuterReducer' followed by '< Self, Op, Eigen::SyclDevice >::run' on the next line. The right box is gray with a black border and contains the text 'Eigen::internal::OuterReducer::run'.

```
Eigen::internal::OuterReducer::run
```
