

```
Eigen::DenseStorage  
< T, 0, 0, 0, _Options >
```

The diagram illustrates an inheritance relationship between two Eigen storage classes. A light gray box at the top contains the text 'Eigen::DenseStorage < T, 0, 0, 0, _Options >'. A darker gray box at the bottom contains the text 'Eigen::DenseStorage < T, 0, Dynamic, _Cols, _Options >'. Two blue arrows point upwards from the bottom box to the top box, indicating that the bottom class inherits from the top class.

```
Eigen::DenseStorage  
< T, 0, Dynamic, _Cols,  
_Options >
```
