

absl::inlined\_vector  
\_internal::Storage::Reserve

```
graph LR; A["absl::inlined_vector  
_internal::Storage::Reserve"] --> B["absl::inlined_vector  
_internal::ConstructElements"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a gray background and contains the text 'absl::inlined\_vector' followed by '\_internal::Storage::Reserve' on the next line. The right box has a white background and contains the text 'absl::inlined\_vector' followed by '\_internal::ConstructElements' on the next line. The blue arrow originates from the right side of the left box and points to the left side of the right box.
