

Eigen::SimplicialCholesky
::SimplicialCholesky

```
graph LR; A[Eigen::SimplicialCholesky::SimplicialCholesky] --> B[Eigen::SimplicialCholesky::compute]; B --> B;
```

The diagram illustrates a sequence of operations. On the left, a gray rectangular box contains the text 'Eigen::SimplicialCholesky' followed by '::SimplicialCholesky' on a new line. A straight blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text 'Eigen::SimplicialCholesky' followed by '::compute' on a new line. A curved blue arrow originates from the top of the white box and points back to the top of the same box, indicating a self-call or a loop.
