

absl::strings_internal
::BigUnsigned::BigUnsigned

absl::strings_internal
::TEST

absl::strings_internal
::BigUnsigned::MultiplyByTen
ToTheNth

```
graph LR; A["absl::strings_internal::BigUnsigned::BigUnsigned"] --> C["absl::strings_internal::BigUnsigned::MultiplyByTenToTheNth"]; B["absl::strings_internal::TEST"] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders. The top box contains the text 'absl::strings_internal::BigUnsigned::BigUnsigned' and the bottom box contains 'absl::strings_internal::TEST'. On the right, there is a single gray box with a black border containing the text 'absl::strings_internal::BigUnsigned::MultiplyByTenToTheNth'. Two blue arrows point from the right side of each white box to the left side of the gray box, indicating a relationship or mapping from the left-hand types to the right-hand function.
