

absl::container_internal
::c_for_each_fast

```
graph LR; A["absl::container_internal::c_for_each_fast"] --> B["absl::container_internal::ForEach"]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is gray and contains the text 'absl::container_internal::c_for_each_fast'. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white and contains the text 'absl::container_internal::ForEach'. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-call or a recursive step.
