

Geometry_Module

Global aligned box
typedefs

```
graph LR; A[Global aligned box typedefs] --> B[Geometry_Module];
```

A diagram showing a dependency. On the left is a gray rectangular box containing the text "Geometry_Module". On the right is a white rectangular box with a black border containing the text "Global aligned box typedefs" on two lines. A black arrow points from the right box to the left box, indicating that the Geometry_Module depends on the global aligned box typedefs.
