

nn::Embedding::Embedding

```
graph LR; A[nn::Embedding::Embedding] --> B[nn::NormalFill]; B --> C[normal_];
```

A flow diagram consisting of three rectangular boxes connected by blue arrows. The first box on the left is white with a black border and contains the text 'nn::Embedding::Embedding'. A blue arrow points from its right side to the second box in the middle, which is also white with a black border and contains 'nn::NormalFill'. Another blue arrow points from the right side of the second box to the third box on the right, which is gray with a black border and contains 'normal\_'. The boxes are arranged horizontally and are of equal height.

nn::NormalFill
