

Eigen::SVDBase::SVDBase

```
graph LR; A[Eigen::SVDBase::SVDBase] --> B[Eigen::SVDBase::check_template_parameters]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'Eigen::SVDBase::SVDBase'. The right box is gray with a black border and contains the text 'Eigen::SVDBase::check_template_parameters'.
