

Eigen::internal::float2half

```
graph LR; A[Eigen::internal::float2half] --> B[Eigen::numext::bit_cast]; A --> C[Eigen::internal::pstore];
```

The diagram illustrates a relationship between three Eigen library components. On the left, a gray rectangular box contains the text 'Eigen::internal::float2half'. Two blue arrows originate from the right side of this box. The top arrow points to a white rectangular box containing 'Eigen::numext::bit_cast'. The bottom arrow points to another white rectangular box containing 'Eigen::internal::pstore'. All boxes have a thin black border.

Eigen::numext::bit_cast

Eigen::internal::pstore
