

Eigen::SparseLU::SparseLU

```
graph LR; A[Eigen::SparseLU::SparseLU] --> B[Eigen::SparseLU::compute]; B --> C[Eigen::SparseLU::analyze Pattern];
```

The diagram illustrates a three-step process for Eigen::SparseLU. It begins with the 'Eigen::SparseLU::SparseLU' step, followed by 'Eigen::SparseLU::compute', and finally 'Eigen::SparseLU::analyze Pattern'. Each step is contained within a rectangular box, and the steps are connected by blue arrows pointing from left to right. The final step, 'Eigen::SparseLU::analyze Pattern', is highlighted with a gray background, while the first two steps have white backgrounds.
