

absl::optional::value

```
graph LR; A[absl::optional::value] --> B["absl::optional_internal::throw_bad_optional_access"]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is gray and contains the text 'absl::optional::value'. The right box is white with a black border and contains the text 'absl::optional_internal::throw_bad_optional_access' on two lines. A blue arrow points from the right side of the gray box to the left side of the white box.
