

Eigen::TensorBase::chip

```
graph LR; A[Eigen::TensorBase::chip] --> B[Eigen::TensorBase::derived];
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is gray and contains the text 'Eigen::TensorBase::chip'. The right box is white with a black border and contains the text 'Eigen::TensorBase::derived' on two lines. A blue arrow points from the right side of the gray box to the left side of the white box.
