

```
Eigen::internal::coeff  
_visitor< Derived >
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'Eigen::internal::coeff_visitor< Derived >'. The bottom box is gray with a black border and contains the text 'Eigen::internal::min_coeff_visitor< Derived, NaNPropagation >'. Two blue arrows point upwards from the top of the gray box to the bottom of the white box, indicating that the gray box inherits from the white box.

```
Eigen::internal::min  
_coeff_visitor< Derived,  
NaNPropagation >
```
