```

The diagram consists of three rectangular boxes. On the left, there are two boxes stacked vertically. The top box contains the text 'absl::cordrep_testing' followed by '::CordRepBtreeFromFlats' on the next line. The bottom box contains the text 'absl::PrepareAppendRegion'. On the right, there is a single box containing the text 'absl::Span::empty'. Two blue arrows originate from the right side of the left boxes and point towards the left side of the right box. The right box has a gray background, while the left boxes have a white background.
