```

The diagram illustrates a flow from two source components to a target component. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'Eigen::internal::pger' and the bottom box contains 'Eigen::internal::pgerc'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the text 'Eigen::internal::loadPacket' on the top line and 'Remaining' on the bottom line.
