

```
Eigen::TensorEvaluator  
< const TensorSlicingOp  
< StartIndices, Sizes, ArgType  
  >, Device >::data
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is gray and contains the C++ code snippet for `Eigen::TensorEvaluator::data`. The right box is white with a black border and contains the text `Eigen::constCast`. A blue arrow points from the right side of the gray box to the left side of the white box, indicating a call to the `constCast` method.

```
Eigen::constCast
```
