

absl::c_set_intersection

absl::c_set_intersection

absl::c_is_sorted

```
graph LR; A[absl::c_set_intersection] --> C[absl::c_is_sorted]; B[absl::c_set_intersection] --> C;
```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, each containing the text 'absl::c_set_intersection'. On the right, there is a single gray box with a black border containing the text 'absl::c_is_sorted'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating a relationship or flow from the left boxes to the right box.
