

```
evaluator< XprType  
>::InnerIterator
```

The diagram illustrates an inheritance relationship. A light gray box at the top contains the text 'evaluator< XprType >::InnerIterator'. A darker gray box at the bottom contains the text 'Eigen::internal::inner\_iterator\_selector< XprType, IteratorBased >'. Two blue arrows point upwards from the bottom box to the top box, indicating that the bottom class inherits from the top class.

```
Eigen::internal::inner  
_iterator_selector< XprType,  
IteratorBased >
```
