```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, each containing the text 'Eigen::PastixLLT::PastixLLT'. On the right, there is a single gray box with a black border containing the text 'Eigen::PastixLLT::init'. Two blue arrows originate from the right side of the two white boxes and point towards the left side of the gray box, indicating a relationship or flow from the constructors to the initialization function.
