

absl::inlined\_vector  
\_internal::Storage::Erase

```
graph LR; A["absl::inlined_vector<T>::_internal::Storage::Erase"] --> B["absl::inlined_vector<T>::_internal::AssignElements"]
```

A diagram showing a call from the `Erase` method to the `AssignElements` method. A blue arrow points from the left box to the right box.

absl::inlined\_vector  
\_internal::AssignElements
