

```
Eigen::internal::blas  
_data_mapper< Scalar,  
Index, StorageOrder,  
AlignmentType, 1 >::load
```

The diagram illustrates a function call. On the left, a grey rectangular box contains the code for the `load` method of `Eigen::internal::blas_data_mapper`. A blue arrow points from this box to a white rectangular box on the right, which contains the text `Eigen::internal::ploadt`. Above the white box, a blue curved arrow points from the right side back to the left side, indicating a return path or a self-call.

```
Eigen::internal::ploadt
```
