

absl::TEST

absl::BasicTests

absl::Notification
::HasBeenNotified

```
graph LR; A[absl::TEST] --> B[absl::BasicTests]; B --> C[absl::Notification::HasBeenNotified];
```

The diagram illustrates a sequence of three components in a horizontal flow. The first component, 'absl::TEST', is in a white box. A blue arrow points from it to the second component, 'absl::BasicTests', which is also in a white box. Another blue arrow points from the second component to the third component, 'absl::Notification::HasBeenNotified', which is in a gray box. The text in the gray box is black.
