

OriginalStuff/abseil  
-cpp/absl/strings/match.h

```
graph TD; A[OriginalStuff/abseil-cpp/absl/strings/match.h] --> B[cstring]; A --> C[absl/strings/string_view.h]
```

The diagram illustrates a file path structure. At the top, a box contains the text 'OriginalStuff/abseil-cpp/absl/strings/match.h'. Two blue arrows originate from the bottom of this box. The left arrow points to a box containing 'cstring'. The right arrow points to a box containing 'absl/strings/string\_view.h'.
