

absl::container\_internal  
::CommonFields::slots\_union

```
graph LR; A["absl::container_internal  
::CommonFields::slots_union"] --> B["absl::container_internal  
::HeapOrSoo::slot_array"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a gray background and contains the text 'absl::container\_internal' followed by '::CommonFields::slots\_union' on the next line. The right box has a white background and contains the text 'absl::container\_internal' followed by '::HeapOrSoo::slot\_array' on the next line. The blue arrow originates from the right side of the left box and points to the left side of the right box.
