

absl::container\_internal  
::InitializerListBucketAllocTest

```
graph LR; A["absl::container_internal  
::InitializerListBucketAllocTest"] --> B["absl::container_internal  
::items"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a gray background and contains the text 'absl::container\_internal' followed by '::InitializerListBucketAllocTest' on a new line. The right box has a white background and contains the text 'absl::container\_internal' followed by '::items' on a new line. The blue arrow originates from the right side of the left box and points to the left side of the right box.
