```

The diagram illustrates a mapping or conversion process. On the left, there are two white rectangular boxes with black borders. The top box contains the text 'absl::synchronization\_internal::KernelTimeout::KernelTimeout' and the bottom box contains 'absl::time\_internal::ToInt64'. Two blue arrows originate from the right side of these boxes and point towards a single gray rectangular box on the right. This gray box contains the text 'absl::ToInt64Nanoseconds'.
