

Eigen::SkylineMatrixBase
::toDense

```
graph LR; A[Eigen::SkylineMatrixBase::toDense] --> B[Eigen::SkylineMatrixBase::derived];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is filled with a gray color and contains the text 'Eigen::SkylineMatrixBase' on the top line and '::toDense' on the bottom line. The right box is white with a black border and contains the text 'Eigen::SkylineMatrixBase' on the top line and '::derived' on the bottom line.
