```

The diagram consists of three rectangular boxes. On the left, there are two white boxes with black borders, one above the other. On the right, there is a single gray box with a black border. Two blue arrows originate from the right side of the top-left white box and the right side of the bottom-left white box, both pointing towards the left side of the gray box. The text inside the boxes is as follows: the top-left box contains 'Eigen::Hyperplane::Hyperplane', the bottom-left box contains 'Eigen::Hyperplane::intersection', and the gray box contains 'Eigen::Hyperplane::coeffs'.
