

absl::random\_internal  
::DistributionCaller::Call

```
graph LR; A["absl::random_internal  
::DistributionCaller::Call"] --> B["absl::random_internal  
::DistributionCaller::Impl"]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a gray background and contains the text 'absl::random\_internal' followed by '::DistributionCaller::Call' on the next line. The right box has a white background and contains the text 'absl::random\_internal' followed by '::DistributionCaller::Impl' on the next line. The blue arrow originates from the right side of the left box and points to the left side of the right box.
